Acknowledgements

Wherever any JavaScript code has been copied from a freeware source, the names and contact information has been provided within the body of the iCaspar code. Only these sections may be copied, provided due acknowledgment to the source is included. The remainder of the code may not be copied without prior written consent from Ripose Pty Limited.

Reserved use of `

Ripose Pty Limited reserves the use of the "`" key. While entering any data into iCaspar, please do **not** use this character.

Due to the constraints imposed on all of us by both hardware (computers & peripherals) and software (namely operating systems), the author needed to reserve the use of a single key and this one seemed the most least likely to be used. If this character has any significance to any person, the author apologises for the inconvenience.

If you however choose to ignore our right, Ripose Pty Limited cannot be held responsible for the outcome.

Warning and Disclaimer

The information in this work was designed by Ripose and is subject to change without notice and should not be construed as a commitment by Ripose Pty Limited. Ripose Pty Limited assumes no responsibility for any errors that may appear in this work.

Every effort has been made to make this work as accurate as possible, but no warranty or fitness is implied. The information provided is on an 'as is' basis. The author shall have neither liability nor responsibility to any person or entity with respect to any loss or damages arising from the information contained in this work.

Ripose Pty limited cannot be held responsible for the failure of any medium upon which the information is stored. The only concession is that should the CD be proven to be faulty, a replacement CD will be posted to the bona fide user free of charge.

Distribution of information

Ripose Pty Limited reserves the right to extract information supplied to it by you for inclusion in the iCaspar database. Wherever possible all specific data will be made generic.

Use of cookies

iCaspar works with cookies. If you cannot enable cookies on your computer, iCaspar will not function.
